One Tradition Two Styles of Worship

One Great Hour Of Sharing

The next two Sundays March 14th and 21st we will be receiving our One Great Hour of Sharing offering. Each year during the month we receive this offering which goes to U.M.C.O.R. to cover the administrative costs of that organization. This offering allows the United Methodist Committee on Relief to respond to needs throughout our world. This offering helps with the administrative costs of U.M.C.O.R. so when we receive special offering for Haiti or other parts of the world we know that 100 percent of those offering goes to the need that they are given to.

So I encourage you to give as generously as you can so that

U.M.C.O.R. will always be prepared to respond to emergencies. We know from past experience that the next need that U.M.C.O.R. responds to might be in our own state. Summer will be here before long and along with summer will come hurricane season. We had a good hurricane season last year but we never know what this year will hold for us. So let's help U.M.C.O.R. be prepared as we move into the hurricane season.

Thank You

I think it's safe to say that this year's IMPACT ran like a well oiled machine. It's like I told the youth Sunday afternoon at our closing, I was nervous and excited at the same time. I didn't quite know how each day was going to turn out, but with some help...a lot of help, the weekend turned out to be a success. And by success, I don't mean that everything went well and that we didn't have any major catastrophes. I mean, I truly believe that hearts and lives were changed during the weekend.

None of this could have happened without the support and prayer we received from all of you. If you headed up a team, lead a table of youth, helped run the sound, helped us

set up or tear down, donated food or money, helped fix a meal, housed youth, transported youth, prayed for us, or did anything else to help us out in any large or small way – I thank you. Our theme was "Be Bold". 49 youth participated in the weekend and almost all of them signed our commitment board and expressed ways in which they would be bold for Christ in the coming months. My prayer for the youth and the entire church is that we would all strive not only to have a bold faith, but to show one as well.
